Prisoners are prohibited from receiving Securepak® orders purchased by or on behalf of another prisoner, parolee or probationer. Prisoners also are prohibited from receiving Securepak orders known to be purchased by a family member of another prisoner, parolee or probationer unless the purchaser also is a family member of the prisoner receiving the item. A "family member" is defined as a grandparent, parent, stepparent, spouse, mother-in-law, father-in-law, child, stepchild, grandchild, sibling, stepbrother, and stepsister; an aunt and/or uncle also is considered a family member if there is adequate verification that the aunt and/or uncle served as a surrogate parent of the prisoner.

A prisoner found at a misconduct or other hearing conducted in accordance with Administrative Rule 791.3310 or 791.3315 to be knowingly involved in sending or receiving fraudulent Securepak orders, including the forging of Securepak documentation, may be prohibited from purchasing and/or receiving items through the Securepak Program for a period of time determined by the Warden or designee.

The vendor will notify the purchaser if his/her order cannot be processed or delivered for any reason and provide the purchaser with a full refund, not including the cost of handling; refunds to prisoners shall not be subject to debt collection under PD 04.02.105 "Prisoner Funds"
